

FIELD TRIPS 2011

We have a variety of field trips scheduled for October during the second week of the State Fair, Oct. 10-14.

IMPORTANT INFORMATION:

1. Parents bring children to the field trip site at the designated time and pick them up there at 1:00 for all students. Field trip fees are paid ahead of time for all attending, including the Science School child. (Note: **Memberships may not be used at any site, we are getting a reduced group rate.** Please note the starting times.)
2. Anyone may attend any field trip. If it is your child's regularly scheduled day, they may be dropped off and picked up at the site. If you choose another day and site, the parent or another adult must attend the field trip also. This is important for us to maintain our ratios. Friends, relatives, and siblings are welcome.
3. Please remember to send lunches and drinks for the children (and any utensils they may need.) We will keep them in the cars of the staff until needed. Both zoos and the Fort Worth Museum do have snack bars available if a parent attends and wants to buy lunch. The staff cannot buy lunches for the children.
4. Some of the sites charge for parking. You pay this fee to the attendant at the site on the day of the trip. **Do not send parking fees to the School. If you are a member of a site, you may be able to use your membership for parking if that is part of the membership.**
5. **Refunds will not be issued for trips not attended. If bad weather causes cancellation, we will reschedule the trip. We will put a message on our voicemail if we cancel a trip by 9:00. Call 214-428-5555 ext. 1381.**
