The Science School at Museum of Nature & Science  
P.O. Box 151469  
Dallas, TX 75315-1469

Dear Parents,

Attached is registration information for the 2009-2010 school year. Classes are filled on a first come-first served basis. Please fill out, sign, and return your forms promptly to ensure a spot in the school.

All currently enrolled families and employees will have priority enrollment until February 22, 2009. February 23, enrollment will be open to museum member families. Non-member family enrollment begins March 2. (All families must be members by August 1, 2009.) Please remember that enrollment is on a first-come, first served basis. Some classes fill quickly, so you may want to consider putting a second choice on your registration form.

**Please return the registration form with the \$50 non-refundable registration fee and one month's non-refundable security deposit as soon as possible. Make sure to mark your desired t-shirt size.**

We will fill the classes in the order the forms and fees are received. (Phone registrations, email registrations, and early registrations will not be taken.) The first tuition payment and a supply fee are due by August 1. If you choose the one payment plan, please pay total tuition due minus the deposit and add the \$100 supply fee. If you choose the monthly payment plan, please pay one month's tuition plus \$50 for supplies (you may also pay the full \$100). The second payment will be due September 1 and the first of the month in each following month through March 1. The second half of the supply fee (\$50) is due with the January 1 payment. Your non-refundable deposit will be applied April 1. All tuition and fee payments are nonrefundable.

You will be notified within 2 weeks when we have received your registration. In July, you will receive information about the August tuition payment. (In the event that a class does not make minimum enrollment and your child cannot be placed in an existing class, a refund will be issued.)

If you have any questions, please call the Science School office at 214-428-5555 ext. 1381 or email us at [scienceschool@natureandscience.org](mailto:scienceschool@natureandscience.org).

Sincerely,

Science School @ MNS Staff
