

Date _____
Child name _____
Class _____

PRIORITY

Parents,

The Texas Department of Health has audited the children's immunizations and health admission records. The audit has shown that your child needs the following:

According to law, these records must be complete for your child to attend school. Please bring this information on the next day of school for your child. **We cannot admit your child without these records.** If you have any questions, please call us at 214-428-5555 ext. 1381.
