

Receipt and Acknowledgment

I acknowledge receipt of the Science School Handbook and General Policies and any and all related policies and guidelines provided to me upon enrollment of my child. I have read and understand the policies and agree to follow all policies as written and any updates as provided. All custodial Parents/Guardians must acknowledge receipt. If you need extra forms or handbooks please notify school director.

The Science School does not provide food for the students. I understand that I provide lunches for my child (including drinks) and take turns bringing snacks. I understand that the Science School is not responsible for the nutritional value or for meeting the child's daily food needs, any food allergies that my child may have, or any and all other matters related to the food that I/we provide for our child to bring to school.
