2-23-10

Dear Parents,

Attached is registration information for summer school 2010. Classes are filled on a first come-first serve basis. Please fill out, sign, and return your forms with fees promptly to ensure a spot in the school.

The classes will begin on Monday, June 7 and go through Friday, July 30. School will be closed July 5. Students may enroll for T/Th, MWF, or 5 days with extended care options, or full time.

All currently enrolled families and employees will have priority enrollment until March 12, 2010. March 15, enrollment will be open to museum member families. Non-member family enrollment begins March 22. (All families must be members by June 7, 2010.) Some classes fill quickly, so you may want to consider putting a second choice on your registration form.

We will fill the classes in the order that the registration forms and fees are received. (Forms should be dropped off at the school or mailed to the attention of Science School at MNS. Phone, email, and early registrations will not be taken.)

The remaining tuition and \$40 supply fee are due May 1. Tuition and fees are nonrefundable. If you have any questions, please call the School office at 214-428-5555 ext. 1381 or email us at scienceschool@natureandscience.org.

You will be notified that we have received your registration. (In the event that a class does not make minimum enrollment and your child cannot be placed in an existing class, a refund will be issued.)

Sincerely,

The Science School at MNS Staff

PLEASE RETURN THE SIGNED REGISTRATION FORM WITH THE \$50 NON-REFUNDABLE REGISTRATION FEE AND ONE MONTH'S TUITION NON-REFUNDABLE SECURITY DEPOSIT AS SOON AS POSSIBLE.
