

**FINANCIAL AID APPLICATION**

School Programs 2011-2012

Monday through Friday only

August 22, 2011 – May 25, 2012

**Complete and return this form to enroll for Financial Aid opportunities.**

The Museum of Nature & Science knows that funding for field trips and programs at school is tight. We sometimes have access to financial aid that may reduce the program fees for students. To be considered for financial aid, please complete this form indicating your interest and have it signed by the principal. Please include the name of a contact person and email address.

Your form will place you on the list to be notified for financial aid opportunities that match your request.

Although we will make every attempt to provide financial aid, we cannot guarantee that all who apply will receive funds.

**NOTE: Financial Aid is not available for IMAX films.**

**FAX TRANSMISSION**

TO: Karin Foronda / Museum of Nature & Science

FAX: 214-428-4310
