

“There’s something about changing a young person’s life and giving them direction that keeps me going.”

General Motors FIRST Volunteer

“I love working with these kids! I’m amazed and inspired by what they can accomplish, and their enthusiasm and energy is contagious. I plan to be involved in FLL for many years.”

Kristen Kelso,
Former FIRST Robotics Competition participant, FLL Coach and Judge

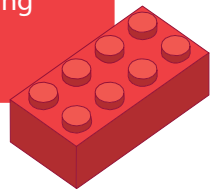

GET INVOLVED: VOLUNTEERS

FIRST LEGO® League is a journey of self-discovery for both team members and volunteers. Everyone learns skills they can use for life, including respect, professionalism, teamwork, leadership, creativity and spirit.

WHAT CAN YOU DO TO HELP?

- Mentor or coach a team
- Volunteer at an FLL event
- Judge
- Coordinate a team
- Help with fundraising
- Recruit new teams

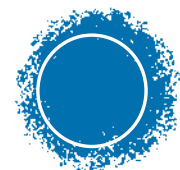

37,000 volunteers participate in FLL. **88%** of FLL coaches return the next season.

FIRST volunteers include: community leaders, employees of corporate sponsors, university students and faculty, parents, teachers, and FIRST alumni and friends.

FLL Volunteers:

- Help kids discover the fun in science and technology
- Help capture the minds of young people
- Have a positive impact on the lives of children
- Are inspired and energized through their participation
