

## Museum of Nature and Science Boy Scout Merit Badge Workshops

### Archaeology Merit Badge Workshop

January 14, 2012

January 21, 2012

Now is your chance to fulfill the requirements to earn the Boy Scout's Archaeology merit badge with a BSA- approved counselor and actual archaeologist!

You'll get a chance to dabble in experimental archaeology by spear-throwing to understand ancient hunting techniques and making cordage to learn about ancient textile fabrication. Participants will also examine archaeological sites from around the world to compare and contrast ancient cultures and engage in an artifact show-and-tell about Texas' rich past. Each paid attendee will be given an exhibit ticket voucher for a return visit to the Museum's permanent exhibits.

Time: 9am-4pm

Cost: \$24.00 per scout, \$5.00 per adult

(Each boy or group of boys must have at least one adult present.)

### Engineering Merit Badge Workshop

February 11, 2012

March 31, 2012

Is your scout interested in how things work? Well this is the workshop for you! Learn about simple machines and motion. Perform experiments to convert energy from different forms. Workshop led by a certified Engineer and BSA- approved counselor. Each paid attendee will be given an exhibit ticket voucher for a return visit to the Museum's permanent exhibits.

Time: 9am-4pm

Cost: \$24.00 per scout, \$5.00 per adult

(Each boy or group of boys must have at least one adult present.)

### **For all workshops:**

Reservations must be paid in full at the time of booking in order to hold your space in the workshop.

Reservations are non-refundable. Workshops fill up fast, so make sure to reserve your spot early. We cannot hold spots for whole troops in workshops. For more information on any of the workshops or to book please call Tuppence at: **972-201-0558**
